Job Description – Maintenance Engineer

Job Title: Maintenance Engineer

Supervisor: Director of Asset Management

Essential Job Function: Responsible for the supervision and administration of equipment maintenance and repairs as instructed. Works on project specific fabrication, engineering and other special project needs related to equipment maintenance and repair.

Job Functions/Duties:

- Assist in the oversight of the maintenance and repair of all equipment.
- Actively support safety and quality with all internal and external team members.
- Complete special projects required to support operations as needed.
- Develop improvements to enhance equipment reliability and scalability.
- Inspect equipment on a regular basis to identify mechanical or safety issues.
- Provide technical assistance in installation and maintenance of company equipment.
- Participate in maintenance and repair activities as needed.
- Act as primary contact for equipment technology improvement initiatives.

Job Requirements and Capabilities:

- High school diploma or GED required. Some college preferred.
- Minimum of 3 years of experience in an equipment or construction related field
- Strong supervisory skills and leadership ability
- Practical knowledge of the function, operation and maintenance of construction equipment and/or education & experience in heavy equipment maintenance and repair
- Proficient computer skills including word processing, spreadsheet and scheduling software and familiarity with accounting/financial software
- Excellent communication (both written and verbal) and organizational skills
- Must have a valid driver's license with an acceptable DVR as approved by insurance company.

Physical Requirements:

This position requires a person to sit or stand for long periods of time; handle and manipulate objects on a repetitive basis. Ability to lift 50 lb. Work indoors and outdoors.

NWREI is an Equal Opportunity Employer. In compliance with the Americans With Disabilities Act, the Company will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective and current employees to discuss potential accommodations with the employer. It is our policy to select the best person available for each job without regard to race, color, religion, national origin, sex, marital status, age, veteran status, sexual orientation, or the presence of any sensory, mental or physical handicap unless the factor involved would prevent the proper performance of the work to be assigned. All employees are hired, assigned, transferred, promoted, upgraded, and compensated solely on the basis of merit, ability, and length of service. NWREI's goal is to maintain diversity in its workforce, we encourage qualified/qualifiable minorities, women and veterans to apply.
